## Generation 1

1. **WILLIAM<sup>1</sup> ARRINGTON** was born in 1662 in England. He died in 1725 in Isle of Wight, Virginia. He married Elizabeth Peden, daughter of James Peden and Jone Huggins on 10 Sep 1683 in Isle of Wight County, Virginia. She was born in 1665 in Isle of Wight, Virginia. She died after 1725 in Isle of Wight, Virginia.

Notes for William Arrington: Concerning William Arrington's family:

The only thing found on William Arrington (ca 1662) that he came to America. Abraham Stephenson was granted 145 acres of new land in Isle of Wight on 23 March 1715 for importing three persons, one of whom was William Arrington.

Of course we know that William Arrington was in Isle of Wight in March 1693 because of court records. However, it is possible that Abraham Stephenson brought William Arrington over sooner but did not claim the land grant until 1715.
