The Senior Class wishes to thank you for the interest you have snown us. You have not spared any effort in making our school what you think it should be. Our school life has been made happy by your actions in our behalf. You have shown a personal interest in us and we want to express our appreciation to you Mr. Ballard, Mr. Adams, Mr. Bass, Mr. Slay, Mr. Schwanke, Mr. O'Quinn, and Mr. Chambliss for this interest.

We congratulate the underclassmen for having men like you to guide our school's growth. It is men like you who have made our nation's schools great. We shall not forget you as we find our separate places in the social and business world.

Superintendent's MESSAGE

T. H. McDonald Superintendent

To The Student Body:

In behalf of our annual staff, the first to publish a Sweeny High School annual, and myself, we hope that you consider this a creditable book. It has been our earnest purpose to portray as clearly as possible the life and activities of our school in 1945.

In future years, when the hand of time has dimmed your memory, may this book prove a storehouse of pleasand recollections.

Sincerely,

"The McDonald

Basketball

Due to the long football season, the Bulldogs were slow getting started. They were without the service of some star players until late in January. This served as quite a handicap to the team.

Despite all of these handicaps the Bulldogs had an outstanding season.

In the district tournament they were defeated by Dickinson two points for the district 56B title.

The Bulldogs took part in four tournaments throughout the entire season. Their record at the end of the season registered ten games won and eleven lost.

Our Junior Oilers have compiled a splendid record in two seasons of play - winning 18 and only losing four games. These boys were between the ages of 10 and 13. Jack Poole was the best defensive player on the team, Louis Slay the best offensive player and Barney Smith the best ball handler. Mr. McDonald handles the boys at the noon period so as not to interfere with the high school team's practice.

GIRLS BASKETBALL

The girls' basketball team of 1944-'45 was made up of girls from the four high school grades. They played 16 games with only four defeats. At the tournament given by these girls on February 3, 1945, they won first place. Danbury was second, and illoomington won consolation. The three teams were all awarded trophies. The team went to the invitation tournament at Bloomington and was beat by illoomington for first place, giving them second place. At the Angleton-Danbury tournament they were eliminated by Danbury. This has been a very successful season for a first year team and they are looking forward to another good year in 1946.

Miss Stallings, our coach, is largely responsible for our success. We are proud of her and are counting on her to come back next year. She established an enviable record as a basketball player and softball pitcher in the Rio Grande Valley.

The eight football maids, with Margie "Half-Pint" Orr as Sponsor, added greatly to the success of the great football team Sweeny put on the gridiron this year. The girls were unanimously chosen as sponsor and maids and conceded to be the best Sweeny ever had to parade the side lines.

Margie, you and your maids did a wonderful job of entertaining us.
