## DEDICATION

We, the Annual Staff of 1948, dedicate this annual to our beloved principal, Mr. Telt-schick. His never tiring efforts to provide us with an education and to prepare us for life have been an inspiration to us. His achievements here are numerous and cannot be forgotten. This volume of the Bulldog is a tribute to his efforts to give us an education.

### THE VARSITY'S RECORD

The 1948 boy's basketball squad of Sweeny High School has gone farther than any previous team representing this school. Five years ago 10 members of this squad began playing ball together. This winning combination took third place in State Class B competition.

In 1946 a few members of this team were on our Regional 5-B Championship team than was beaten by a small margin in the State Tournament. Again this team was beaten by three points in the Regional Tournament of 1947.

The prospects of the 1949 team look very bright. We have three "starters" of the '48 squad returning. I am sure our boys will go far in League competition. Good Luck.
