FOREWORD

We, the annual staff of 1949 in presenting this issue of "The Bulldog" have endeavored to publish a book to portray the spirit and activities of Sweeny High School.

Memories of our school days may grow dim but, if in the years to come, this book enables us to relive our many pleasant experiences while students of Sweeny High, then we, the staff, shall have accomplished our objective.

DEDICATION

In appreciation of his interest, help, and service to our school for many years, we, the Staff of 1949, affectionately dedicate this edition of The Bulldog to our custodian, Mr. J. A. Elliott. We have ever found in him a sympathetic friend, a wise counselor, and an interested and efficient guide in our every endeavor.

NOW AND THEN

OUR BOARD OF EDUCATION

In service to our community, the members of our school board devote much thought, time, and effort to their responsibility in regard to our educational program, especially the financing of our school. They serve without pay but not, we hope, without adequate appreciation.

The students of the Sweeny Public Schools take this opportunity to express their thanks to the board for all the work they do, for the educational opportunities they provide for us, and for the splendid school plant of which we are so proud.
