

## Beans Shipped in Car- 5-11-26 Lots From Sweeny

The first solid car-load of green beans to be shipped from Sweeny this season was billed out, by refrigerator express, to Denver, Colorado, Thursday, May 27th.

Between 600 and 700 bushels of beans were loaded in this car.

Local shipments of beans from Sweeny to Texas, Oklahoma, Missouri, Kansas and Colorado points

amount to 600 bushels daily.

Mr. A. K. Warters, grower and shipper who has charge of the bean shipments, states that he expects to ship two solid car-loads each week besides the local shipments, during the rest of the bean season.

Besides the beans, more than 1,000 dozen roasting ears are being shipped out of Sweeny daily.
